Brand new Book. *Explains Sparta's military society and battle tactics. *Includes pictures of important people, places, and events in Spartan history and culture. *Includes a Bibliography for further reading. "The walls of Sparta were its young men, and its borders the points of their spears." - attributed to King Agesilaos There have been no shortage of great warrior societies in history, including the Romans, Mongols, Macedonians, and Vikings, the list goes on. Yet one humble city in particular, nestled in a valley near the Eurotas river in the Greek region of the Peloponnese and once ridiculed as little more than a cluster of villages inhabited by uncouth shepherds, produced the most famous warrior elite the world has ever known. The most unique city-state in Ancient Greece was Sparta, which continues to fascinate contemporaneous society. It is not entirely clear why Sparta placed such a great emphasis on having a militaristic society, but the result was that military fitness was a preoccupation from birth. If a Spartan baby did not appear physically fit at birth, it was left to die. Spartan children underwent military training around the age of 7 years old, and every male had to join the army around the age of 18. The Spartans, whose carefully constructed approach to warfare and - there is no other word for it - Spartan way of life, earned the grudging admiration of all of Greece and succeeded in establishing themselves in the years following the reforms of the semi-legendary ruler Lycurgus as the greatest military force in all of Hellas. Athens might have the mightiest fleet and the greatest cadre of philosophers and dramatists, Thessaly might have had the most vaunted cavalry, and the great...
