Dog Ear Publishing, United States, 2017. Hardback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.A nation has fallen only to give rise to another. Arena struggles to find peace until she can find her brother, who has fallen into the hands of Russian operatives in Cairo. America is no more, but the resilience of a new fellowship must endure the worst to come if they are to survive this war. A new world order, headed by Russia s leader, spells doom for Israeli s rebellious refusal to join. The last ten sustainable nations are forced to unite in efforts to rise above an economic cataclysm. While conflict brews, an army of incomprehensible magnitude is being assembled to thwart the Jewish state. Though the fate of Israel is in peril, Arena s presence will be the key to its stand, but she must lead her friends through plagued cities and across the torturous desert to reach Jerusalem, the only safe place left. The Ten gives us a small look into a tragic future that may be possible. In this thrilling installment of the Last Light Falling series, J.E. Plemons creates a world antonymous of the world we live in today, but eerily close to what it may become. The story continues with Arena fighting her way against evil to survive. While the world hovers in the hands of a menacing tyrant, something more sinister looms--Hell is coming.
