Austin Brothers Publishers, United States, 2017. Paperback. Condition: New. Language: English. Brand new Book. Every person is broken in some way. Most of us get repaired along the way and become functioning contributors to the world. Others are severely broken, and despite the best efforts of family and friends, never are entirely repaired. Erik is the only person I have ever known who was completely broken and never had anyone care enough to help him put his life back together. I met Erik when he asked me to write a book for him, a "tell-all" book about his life. He was living in hiding, using a fake identity, and facing a death sentence from people who were out to kill him and the doctor who diagnosed him. The 39 years of his life were filled with tragedies and horrors that would have broken most of us. As he told me his story, so I could write his book for him, he provided vivid details of abuse, violence, murder, drugs, and prison sentences. Beginning with a mother who cared nothing for him, a father who abandoned him, a stepfather who abused him, and a grandfather who molested him he became a hardened criminal as a young teenager. In prison, he was mentored by a leader of a hate group and international drug dealer. Out of prison, his young adult years were spent with drug trafficking and murder. He arrived at a point in his life where his only goal was survival. He became good at surviving, but along the way, he damaged many others. Although Erik doesn't sound like the kind of person you want to befriend, after spending hours listening to his story and re-listening to the recordings, we became friends. We never met in person, I have no idea what he looks like....
