Independently Published, United States, 2019. Paperback. Condition: New. Language: English. Brand new Book. This book of poetry is part of 5 series books written with the intention to open new doors within the reader's mind, sub conscious, and body to self-reflect and witness the wonders of words and it colors in the mind. To plant a seed that brings a tree that provokes deep thoughts and shade for thinking, being, and feeling with a writing influenced by philosophy and psychology around the world. IWE, The Book is a collection of poems that reflect Rasheed's life journeys and experiences. Rasheed's unique writing style offers the reader with his prospective of life, and the ability for readers to connect to his work. To also reflect, express, and explore moods set in the writing, the first chapter THINKING: Moon, Mother, and Brain Mind gleam on the points of view such as thought, imagery, pain, battle, pleasure, freedom, lies, and peace. How lonely is felt by everyone but only few have the courage to speak about it, or how we see it in each other eye's slowly it comes to dig what it needs. This chapter is also dealt with death and its power to neither weaken nor strengthen anyone of choice, and the slowly programming of the human mind to desensitizing the human soul. This chapter also addresses the issue of the battle within the human mind for consciousness and deep consciousness, and the struggle to step away from the shadow, into the self, and, into the inner self. The first chapter is dedicated to my mother: Aishat Bello. The second chapter BEING: Sun, Father, and Soul Being, shines it lights on the outer word which comes from within the deep consciousness. The concept of time, uniqueness, and personalities shape who we are and how we...
