This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It has been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which basically modified me, after the way I believe.

Danielle Lisa Matthew, 2017. Hardback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.It s one thing to read about the rise in the bullying epidemic that s all over the news. It s another to see your child come home from school, quiet, withdrawn, and upset. What do you do, as a parent? How do you talk about the bullying without making your child more distressed? What s the best way to get help from the school and teachers? And how do you handle all of your own emotions? The Empowered Child will be your go-to guide for walking with your child through finally overcoming the bullying, together. You ll learn how to use simple, effective therapy techniques to start a healthy conversation with your child, create an action plan to stop the bullying, bring in the support you need from the school, and stay sane and centered throughout the process. Whether your child is the victim of cyberbullying, verbal bullying, relational bullying, or physical bullying, this book will give you a framework to create a safe support system for your child to find true self-confidence, thrive in school, and know that you were there as a loving support, all the way through.
